

2010 Screen Test Mobile Schedule

Screen Test provides screening mammograms at two fixed location clinics, one in Edmonton and one in Calgary. Screen Test has two mobile screening trailers that provide services to women in approximately 100 communities in rural Alberta. Screen Test provides high quality screening mammography and breast health education, and has consistently exceeded international standards for the early detection of breast cancer.

The Screen Test Mobile screening trailers visit communities throughout Alberta on a rotating schedule. All communities are visited at least once every 1 to 2 years ([map](#)). Dates are subject to change. Please call 1-800-667-0604 to confirm when Screen Test will be in your community and to book an appointment.
